

Welcome to Wirtshaus in der Au-  
we look forward to seeing you today!

The safety and health of our guests and employees is our top priority, which is why the following requirements apply to the current hygiene measures:

### 2G regulation

If the hospital traffic light is red, we act in accordance with the 2G rule.

This means that the following guests have access:

- Vaccinated or convalescent
- Children up to the age of 12, not yet enrolled in school

The outside area is exempt from this rule!

### FFP2 mask

Please wear the FFP2 mask until you have been seated and when leaving the restaurant (please do not forget to cover your mouth and nose on the way to the toilet!)

Thank you very much for your understanding!
